All MSc's	Students	
	C	Compulsory
	R Recommended Options - mainstream options for the MSc	
	R* Recommended Options - depending on the Covid restrictions in place at that time, these lab based optional modules may not be available.	
	P Peripheral Option - see Msc Programme Handbook for further information before selecting	
Term 1		
	C* HPPF select two modules, including at least one of these two. If only one of these is selected, students must take one of the two recommended modules (1123 or 2001)	
	C# MSc PH (Health Services Management stream) requires students to take either Health Policy, Process & Power or Health Services.	
	C- CID students will only take some sessions, to be advised
